

Don't you worry about a thing! Let Island Vibes cater your private boat charter for you. We partner with four delicious local restaurants to bring you on board dining options that allow you to focus on relaxing and socializing. Not cooking and carting around!

Please note that all catering options require the service of a steward who will be your point of contact. They will be the ones placing orders, picking up, serving, and cleaning up afterwards. All catering options include a modest 10% gratuity that is given to your steward, but an additional tip is always certainly allowed if your service was awesome, but not necessary.
